SSC-0105-69

31 January 1969

MEMORANDUM FOR: Chief, EPD

SUBJECT : Support Services and Assistance
Provided Other Government
Agencies by the SSC

REFERENCE : DD/S 69-0386, 24 Jan 1969

25X1A

1. A coordinated policy paper was prepared by the SSC for the DCI to the D/SAFSS recommending the introduction of the ██████ System to industry. A meeting was called by SSC in which a coordinated agreement was obtained between SAFSS, SAFSP, DD/S&T, OSP and OSA for a single ██████ Industrial Manual and the procedures contained therein, for use by industry to comply with the directive.

SSC-0105-69

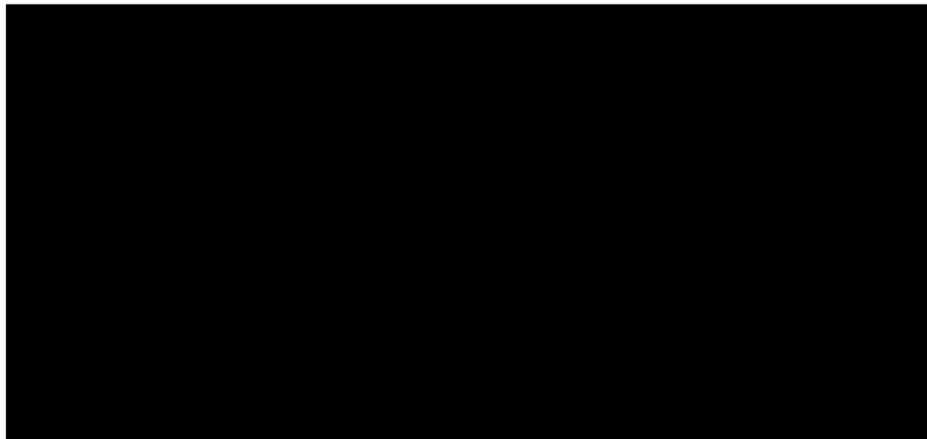

Imagery Exploitation Sub-Committee
Communications Working Group
Data Base Working Group
Warning/Indications Working Group
Mapping, Charting & Geodesy Working Group
Sanitization & Decontrol Working Group

Considerable time and support was required for the COMIREX, the Sanitization and Decontrol Working Group, the Mapping, Charting and Geodesy Working Group and the Data Base Working Group.

As a result of recommendations made by the Bureau of the Budget and the Office of Science and Technology, in connection with NSAM-156, a committee was established of non-intelligence agency consumers; this committee, called the ARGO Committee, is composed of representatives from Interior, Agriculture, Commerce, AID, Transportation and Office of Emergency Planning. Security surveys were conducted at each Department or Agency to ascertain their requirements for establishing control centers; recommendations were made and Centers established at Interior and OEP; AID utilizes the Department of State Center. Agriculture, Commerce and Transportation plan to utilize the Department of Interior Center at Reston, Va.

4. Security surveys were conducted by an SSC representative in coordination and/or in conjunction with representatives of the DIA at the following contract facilities:

SSC-0105-69

Surveys and support was rendered for the following:

White House Center
President's Foreign Intelligence Advisory Board,
Vice President's Center
President's Scientific Advisory Committee,
Office of Science & Technology
Office of Emergency Planning (Hide Aways)
National Aeronautics and Space Council
President's Special Adviser for Vietnam
National Security Council Center
Eaton SIGINT Committee
Treasury Department
Bureau of the Budget
Attorney General
United States Information Agency

Security briefings and debriefings were conducted by the SSC for all of the above listed centers.

The SSC conducted a pre-survey of CIA material furnished the White House including compartmented sensitive material. In addition the SSC then assisted the Control Centers of the White House in preparing those documents issued to the Johnson Library and those documents requiring special controls.
